Time: 9 am

Nominations and Elections for New Board Members

It is time to nominate and hold elections for new board members. These positions are very important for the club functions. Please consider positions you would like to volunteer for and people you would like to see fill those positions. Thank you for your support.

Work on Your Trees

Bring your trees and tools. A focus of this meeting will be to work on your trees and get expert counseling from other members on creating your designs.

Member Appreciation Lunch & David's Birthday

Thanks to everyone for their supreme effort in putting together a great bonsai show. Appreciation for those efforts and to also celebrate David's birthday, David and June hosted the celebration at their place.
