BONSAI COMMUNITY ACTIVITIES

Please begin to prepare your trees for the 2nd Annual Chino Bonsai Club Exhibit. All show trees must have copper wire, be mounted on a stand or slab and have an accent plant. Bring your trees and show accessories to the next two upcoming meetings to get feedback and instruction.

Volunteers are needed! We are calling on all members to volunteer their services wherever they can in preparation of the exhibit. We will need as many members possible and vehicles to transport trees and supplies.
